sudden departure, and political motives were generally imputed to Garibaidly advisors. In the House of Commons, Mr. Gladstone admirted that he had advised the General to leave, because the four through England might affect his health, and because "the magnificent national reception which had been given to him in London might less some of its read dignity from being frequently repeated deswhere."

The Prince of Wales traveled from Sandring, ham to Leuden, on April 22, for the purpose of paying a visit to Garibaidle. The Prince met the General at Stafford House, and remained with him, it is said, for upward of an hour.

The King of Prussia was gone to the seat of war. The municipal authorities of Kiel have sent departation from the sungulated support at the departation of the process of correction, they have not enabled the land, by the hands of before the land of the leave and remained with him, it is said, for upward of an hour.

The King of Prussia was gone to the seat of war. The municipal authorities of Kiel have sent a departation to limin, and the same persons have required the Hostein commants to join them.

According to a Hamburg dispatch, the object of the King of Prussia with the Stafford Hostein commants to join them.

According to a Hamburg dispatch, the object of the King of Prussia with the Stafford Hostein commants to join them.

According to a Hamburg dispatch, the object of the King of Prussia strikit to Schewigi is to somal was corrected to the service of the King of Prussia strikit to Schewigi is to somal the population, and "to pave the way for a vote in account of the partnership the service of the King of Prussia Government."

M. You Bismark has gone to join the King, and it is even stated that the Emperor of Austria will repair to the seat of war.

Consistently with the foregoing, they proclaim the propulation, and "to pave the way for a vote in account of the partnership the seat of the way to prove the seat of the partnership the seat of the prussian Government."

M. You Bismark has gone and imported Emperors will ultimately be able to provail. Perhaps and imported Emperors will ultimately be able from every honest man in the House a shake of the head. to prevail. Perhaps another war of independence will have to be fought; but about the re-

was unto f such a war there is, neither on this side of the Atlantic nor on the other, much doubt.

We are glad to see that the unanimous opposition of the States of Central and South America to the attempts of European monarchies to increase their power and their dominions upon this continent is also extending to the only American abettor of European aggression—the Rebel Confederacy. Their readiness to purchase the good will and the patronage of European despots, by basely conniving at schemes which every true American must regard as a crime against the foundation of his rights and his libbean robbed by Confederate forces or Rebel guerrillas.

occupied the chair. The only business of interest was
the fixing of the time for helding primaries. The Executive Committee reported in favor of helding primaries is each Ward and town on the 17th inst., for the
purpose of electing Committees of three to meet in Assembly Convention on the 19th, and there to elect delestates, who are to meet at Syracuse on the 23th inst.
The Syracuse Convention is to aclect delegates to the
National Convention to meet at Baltimore.

Beard of Supervisors. At a meeting of this Board yesterday afterneen. President TWEED in the chair, a large amount of contine business was transacted. An ordinance sub

Thayer was well known to the leading men of this country as an able and conscientious journalist, possessing many and varied acquirements, and aman of tact and ability in his diplomatic office. A large circle of friends will hear of his death with unfeigned sorrow.

Sir: While a prisoner in Richmond I had access to the C. S. Military Prison Hospital, and found the names and date of death of the members of the state N. Y. Volunteers, who died while confined there.

By publishing the following you will confer a great favor upon many friends of the deceased whose addresses I do not know, nor had I any means of ascertaining:

Wilgas, John L., Co, B, 48th N. Y., Dec. 2, 1863.

By resolution of Mr. Purdy, James M. Long was ap

The document was received from the Liong was appointed to fill the vacancy in the High Bridge Commission caused by the death of Jas. C. Willetts.

A communication was received from the Commission ensured to the death of Jas. C. Willetts.

A communication was received from the Commission ers of Charittee and Corrections, giving the following particulars in regard to the institutions under their charge, from Jammy 1 to March 31, th. Total number of persons received, 14,221; transferred, 3,234; sick, 5,340; died, 783; remaining, 6,361. The institutions embrace the Bellevue Hospital, Alma-House, Lanadle Asylum, Island Hospital, Small-Pox Hospital, Ransial's Island Work-House, City Prison, Peritending, City Cemetery, Colored Home, and Colored Orphun Asylum.

Mr. Ety offered a series of complimentary resolutions thanking Mr. Orison Blunt, as Chairman of the County Volunteer Committee, for the able and efficient manner in which he had filled that position, oven to the neglect and detriment of his private business.

Mr. PURDY spoke in high terms of Mr. Blunt, and of the prominent part that the land taken in the work of

Correction .- It appears that the steamship Belgian, which passed Port-an-Basque on Monday, was bound to Quebec (instead of Portls 4), being the first vessel of the Canadian line to that port for the season.
